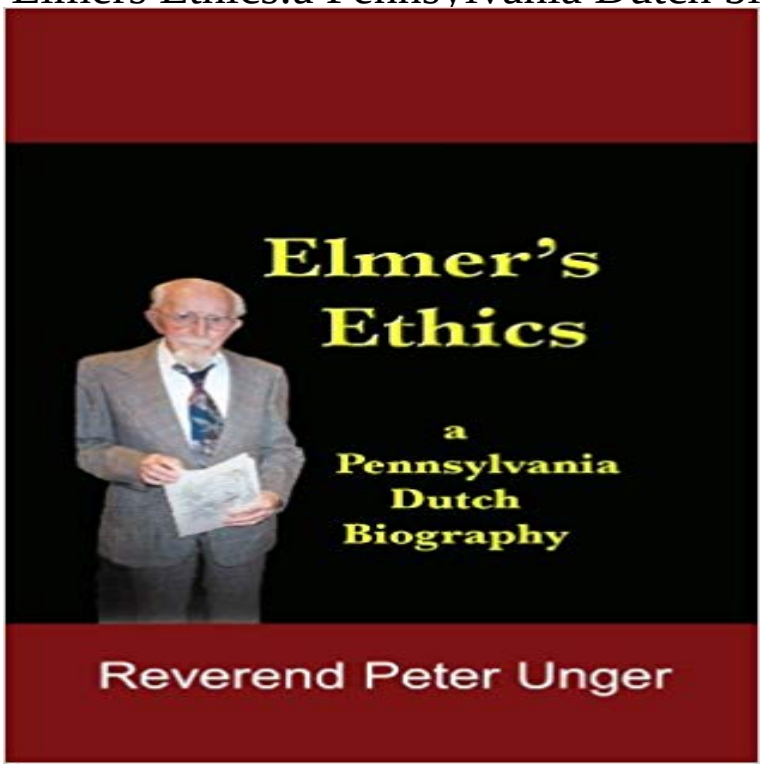
Elmers Ethics:a Pennsylvania Dutch biography



The Story of Elmer Barron is more than the story of one man. It is an extraordinary example of a man raised in a simple environment who lived 96 years of a full and wholesome life encapsulating virtues that we should all emulate. This book, by Elmers Pastor, Rev. Peter Unger, is a tribute--and an attempt to capture the unique Spirit of a close friend, mentor, father figure, and church member all rolled into one. The lessons that flow from Elmers life are day-to-day examples of ethical living. The biography is skillfully woven into a theological context as an uplifting example worth studying in detail as a guide for living our own lives.
