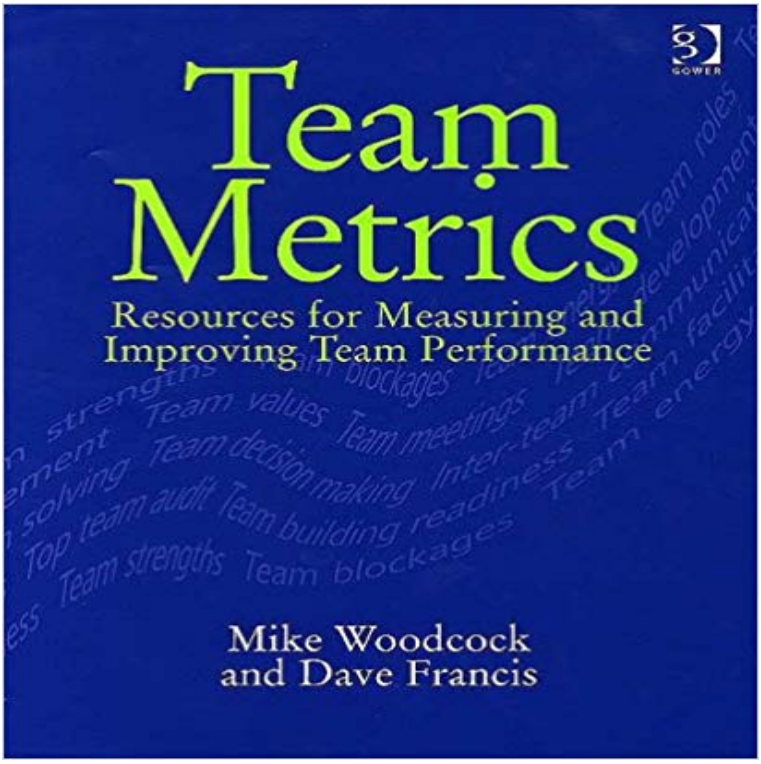
Team Metrics: Resources For Measuring And Improving Team Performance



Mike Woodcock and Dave Francis are two of the most influential writers and designers of materials for team development of the last 30 years. This collection of Team Metrics brings together some of their very best material for measuring aspects of team performance. The collection includes a variety of audits, questionnaires and surveys, which can be used in a training environment or as real-time team interventions. The 27 items in the collection cover team and team leader skills, team development, team motivation, team roles, team culture, climate and communication, making this a must-have collection of team development materials for trainers, facilitators and team leaders. A CD is supplied with every manual which provides a Powerpoint slide presentation for each of the 27 metrics.
