

## Her Sexy Valentine

Carol Snow is no Scrooge but she'd rather get her heart rate up with a sexy book than a messy, real-life romance. Still, she's tempted to rethink that when rugged coworker Luke Chancellor shows her in mind-blowing detail exactly what she's been missing. But when he asks for a real date, Carol runs like hell. And she stumbles back into the exact same day including out-of-this-world sex with luscious Luke! Talk about no-strings sex. Except Carol soon realizes she wants more than multiple one-night stands. She just has to figure out how to wake up with Luke in a new day before time and all that afterglow runs out.
