

And the Good News Is...: Lessons and Advice from the Bright Side

The runaway bestseller in hardcover is now available in paperback--with even more good news! Thoughtful, inspiring, and often surprising, *AND THE GOOD NEWS IS ...* traces Dana Perino's unlikely journey through politics and television. It's a remarkable American story--made up of equal parts determination and clear-eyed optimism. From facing professional challenges and confronting personal fears to stepping up to a podium for a President, Dana has come to expect the unexpected and has an uncanny ability to find the good news in any tough situation. *AND THE GOOD NEWS IS ...* takes us from her Western childhood in Wyoming and Colorado to a chance meeting on an airplane that changes her life entirely. Then, with refreshing honesty and humor, she recounts her frustration with a string of unsatisfying jobs and living circumstances until a key career tip leads her back to Washington, D.C. to work for the Bush Administration. Dana also shares here her best work and life lessons--tips that will help you to get your point across convincingly while allowing your own grace and personality to shine through. As someone who still believes in working together to solve the problems our nation faces, Dana offers clear, practical advice on how to restore civility to our personal and public conversations. The result is a fascinating read that can help anyone become more successful, productive, and joyously content.
