

Arrian: Anabasis of Alexander, Books I-IV (Loeb Classical Library No. 236)

Arrian's *Anabasis of Alexander* in seven books is the best account we have of Alexander's adult life. *Indica*, a description of India and of Nearchus's voyage therefrom, was to be a supplement. A student of Epictetus, Arrian took notes at his lectures and published them (in eight books of which we have four, *The Discourses*) and also the *Encheiridion* or *Manual of Epictetus*. Both works are available in the Loeb Epictetus edition. The Loeb Classical Library edition of Arrian is in two volumes.
