

The Prayer Of Jabez For Women 2004 Day-To-Day Calendar

Is there more to the journey through life than I'm experiencing? How can I expand my territory without neglecting my most important territory - my family? Why would I want more when my life already feels like it's bursting at the seams? Darlene Wilkinson (wife of the best-selling author of *The Prayer Of Jabez*, Dr. Bruce Wilkinson) addresses these questions and more in her book *The Prayer Of Jabez For Women*. It helps women discover their unlimited roles and ministry opportunities in God's kingdom, and since its March 2002 release, has sold more than 700,000 copies. This calendar, a reissue of the 2003 edition based on that book, answers the important spiritual questions women face. Each page is a personal exploration of Jabez through an anecdote, Scripture, or inspiring quote. This calendar will help encourage women everywhere to change their journey from the ordinary to the extraordinary.
