

The Benjamin Graham Classic Collection

An elegantly boxed set of the seminal works by the dean of Wall Street. The late Benjamin Graham was the father of modern security analysis. He invested value investing and has directly influenced such contemporary investing legends as Warren Buffett, Michael Price, and even the Motley Fools. While investment fads come and go, Grahams bedrock approach is proven more solid with every passing year, and his calm wisdom rings especially true in todays wild market. Grahams legion of fans will treasure this beautiful collection, which contains three of his financial classics plus an exclusive excerpt of Benjamin Grahams autobiography and personal photos. Security Ananlysis: The Original 1934 Edition, still considered the value investing bible; Storage and Stability, Grahams timeless 1937 study on production and consumption; World commodities and World Currency, his visionary 1944 work on the emerging global economy.
