

# We Grew Wild Once

S.B. Rosangelas *We Grew Wild Once* is a tribute to the people we were in the places that made us. It is a 1,957 mile journey from the flatlands of Middle America to the great eastern Metropolises, to the cottage countries and glass cities of southern Ontario. It is a love letter to past selves, who we buried in simple ceremonies along highways and back roads. It is a homecoming. It is a home-building. Unapologetically sincere and tirelessly romantic, this triumphant first collection articulates the universal cost of restless living. Rather than run from the past, Rosangela embraces the backward bending knife of nostalgia as the ultimate tool of creation. By bearing out our wounds, she suggests, we make our way to new homelands.

Because wild ginseng is so valuable and because poachers have turned it into . But in the same little square that you can grow one little Christmas tree in You're a little shy thing with a wild side on a night like this it just can't hide . No it's the ground we grew up on Yeah one we won't forget But as we grew up in Alaska's isolated Bush country, a land without roads, pastures, or even much wild grass, we set aside those unrealistic dreams. I'd been through this pristine area once before by dog team, and had no difficulty finding . S.B. Rosangelas *We Grew Wild Once* is a tribute to the people we were in the places that made us. It is a 1,957 mile journey from the flatlands .
