However, his art was much more than a physical fighting art, it was a philosophical way of life. Aside from being a world class martial artist, Bruce Lee was also a gifted filmmaker and accomplished actor, appearing in over a dozen Hong Kong dramas before the age of 13. This guide gives an account of each phase of his career. In 1966 at the age of 25 he appeared in the American-produced Green Hornet television series, which was to be the start of a newly revived acting career; one that would escalate him to international stardom.
