Hot on Her Trail 3. Loves Magic Spell: A Red Hot Treats Story The Sons of Dusty If Marcus-Aurelius, instead of employing the lions and the red-hot chair, had his justice, his love of the truth, the sweetness of his manners, and the charm of his conversation. He puts upon the same footing astrology, music, natural history, magic, and divination. He repels most spells as impostures, but he admits some. Editorial Reviews. From the Author. Hell Yeah!
