

Connect 1-Semester Access Card for Psychology and Your Life

Psychology Matters. Robert Feldmans Psychology and Your Life 2e draws students in immediately by connecting psychology to their professional and personal lives. Emphasizing practical application, Psychology and Your Life 2e offers examples and perspectives from healthcare occupations, nursing, technology, criminal justice, legal, and business, among others to prepare students and help them apply psychology throughout their lives and careers. A fully-integrated supplements package helps instructors objectively gauge their students mastery of psychology's key principles and concepts and create dynamic class experiences?whether in the classroom or online. All ancillary materials are organized by the measurable learning outcomes for each module within the text?there is no more wondering whether the text in use will meet the accreditation guidelines for schools!
