. Lucy Merryweather has inherited a fortune--and her great-aunts list of unfulfilled wishes. What better way to honor her memory than by accomplishing as many of them as possible? And with Lucys family an ocean away in New York, nothing stands in her way--if one ignores the private investigator hired to spy on her. Yet Cameron Effington is infuriatingly difficult to ignore. . .As a reporter, Cameron is always looking for a good story. An American heiress running rampant between Millworth Manor and Mayfair is the perfect subject. Not to mention captivating. And extremely kissable. And if Lucy believes hes a detective? Well, the truth should never get in the way of a good story--or hinder delicious, impetuous passion. . .
