

## Defying Death in the Mountains (Graphic Survival Stories)

This title looks at extreme tales of survival in rocky, isolated mountain regions. We encounter Aron Ralston, who faces a life or death decision when he becomes trapped in the Blue John Canyon, Utah and the survivors of flight five-seven-one, which crashed into the Andes, Argentina in 1972. Graphic Survival Stories is an exciting new series about real life survival stories, in a graphic-novel format. Dramatic, full colour graphic illustrations are supported by short, accessible blocks of text and speech bubbles. Each title features three gripping tales of survival and includes an introduction to the habitat, maps, survival tips and a glossary to support the stories. Short summaries of more stories will prompt further research and discussion.

Mountains have a harsh climate that is a deadly challenge for even the hardest of humans.
