

Demon Fish: Travels Through the Hidden World of Sharks

A thrilling guided tour through the world of sharks and their relationship with human communities around the globe. From Belize to South Africa, from Shanghai to Bimini, we see that sharks are still the object of an obsession that may eventually lead to their extinction. In this eye-opening adventure that spans the globe, environmental journalist Juliet Eilperin investigates the fascinating ways different individuals and cultures relate to the oceans top predator. Along the way, she reminds us why, after millions of years, sharks remain among nature's most awe-inspiring creatures. With a reporter's instinct for a good story and a scientist's curiosity, Eilperin offers us an up-close understanding of these extraordinary, mysterious creatures in the most entertaining and illuminating shark encounter you're likely to find outside a steel cage.
