

Doms Guide To Submissive Training Vol. 3: How To Use These 31 Everyday Objects To Train Your New Sub For Ultimate Pleasure & Excitement. A Must Read ... Relationship (Mens Guide to BDSM) (Volume 3)

You may think that every Master has a huge house filled with either gothic decor or fluffy white couches, and a ridiculously full selection of paddles, straps, whips, crops, restraints, sex toys, and bondage gear. Fortunately, you don't have to pay a hundred dollars for a specialty flogger or purchase a wedge from Extreme Restraints for three hundred bucks in order to be a great Dom and provide your sub with hours of bondage, spanking and fun. Most of the things you need to give your submissive the spanking of a lifetime, a punishment to fit the crime, or just an incredible bondage experience can be found right in your own home. Your sub will not only enjoy the variety of experiences in her sessions but also appreciate your creativity. Doms Guide to Submissive Training Vol. 3 gives you 31 common objects you already own or can purchase for minimal cost and keep right out in the open that will enhance your BDSM relationship and provide you and your sub hours of pleasure. Aside from the cost savings, there is another benefit to using everyday objects in your BDSM training and session fun: discretion. Not every person can be seen walking down the street or through an airport with a leather whip in his hand or a wooden paddle in his bag. Many Doms must conceal their activities from employers, social circles, or vanilla spouses. Common objects make it easier to engage in important rituals without detection.
