

This Is Love: Illusion of Love//From My Heart (Kimani Romance)

Valentines Day holds sensual and sexy surprises in these two irresistible stories. *Illusion of Love* by Nana Malone: Valentine Anderson's parents clearly gave her the wrong first name. Her last two relationships ended on Valentines Day, and her current one implodes right before her sisters wedding. Then the dashing and adventurous photographer next door suggests a fake relationship to keep her family and his boss's overattentive wife at bay. It's just an act, until Val starts acting on her impulses and make-believe becomes undeniably too real! *From My Heart* by Sienna Mynx: First Aniyah Stevens is jilted a week before her wedding. Now she's stuck with the bill for a romantic and lavish Italian honeymoon. Rising above her disappointment, she goes solo only to find that it's a couples-only getaway. Charming resort owner Niccolo Montenegro has his own heartache to bear. But kindred spirit Aniyah tempts him with an offer that could make their Valentines Day memorable for all the right reasons.
