

# The \$18 Entrepreneur: How to Cash in on the \$10 Billion Dollar E-book Industry

Last year e-books passed print books in sales. This unprecedented dynamic represents a fundamental shift in an industry. Traditional publishing kept a lot of good material and authors out of the market. With Print On Demand and digital books now Everyone has a book in them that can be published. That doesn't mean everyone should write a book. This book is about getting PAID to read ebooks and getting paid well.
