Red Squirrel Publishing are pleased to announce the latest resource to help students prepare for the British citizenship test. The new Kindle edition of the best-selling Life In The UK: Study Guide series is the most up-to-date publication on the market. This 2011 edition contains everything you need to pass the Life in the UK Test on your first attempt. The series has now sold over 350,000 copies and comes complete with the required official study materials from the Home Office, handy revision advice and practice tests so you can be confident of success. What's new in the 2011 Edition? * More practice tests to help students prepare with confidence* Updated section containing trusted advice and answers to common questions from people who have successfully passed the test.* Updated information on announced changes to citizenship and immigration laws. As well as the new features, the book is packed with useful information, including: * All the latest official study materials required for the Life in the UK Test* Easy to understand diagrams that explain difficult topics* Hundreds of multiple choice practice questions based on the study materials* Handy Words to Know section that explains difficult terms* A British timeline and calendar to help you remember all the dates required* Help with your citizenship ceremony and passport application once you have passed the test Revised and updated with everything you need to learn, this is the essential step-by-step guide to passing the Life in the UK Test. With over 200,000 people being granted British citizenship in 2009, and significant changes to the application process due in July 2011, we have updated our study guides to ensure that applicants have the latest information available for their studies now. Passing the Life in the UK test is a requirement for anyone wanting to live permanently in Britain or become a British citizen. This practical

study guide is designed to make preparing for the test a whole lot easier. According to statistics released by the Home Office in 2009, just under 71% of people passed the test. Feedback we have received from over 5,500 candidates who used Red Squirrel guides show that over 92% of them pass on their first attempt.
