

Love Like There's No Tomorrow: How a Cardiac Arrest Brought My Heart to Life

A few years ago, Ocieanna Fleisswife and work-at-home mother of four young children would have described herself as overwhelmed, stressed, and focused on finishing her to-do list. But when at age forty-two, a sudden cardiac arrest stopped her heart, everything changed. During those quiet months of recovery, as she reflected on her life, a pattern arose. Like a loving father, Christ had always walked with her through childhood neglect, miscarriages, the death of her parents, and even through her own death! Amazed by God's loving hand in her life, Ocieanna overflowed with a desire to love in a new, more profound way. Out of this desire, transforming truths gently came to light: truths that changed her life forever and will show you how God can weave everything in your life into His elaborate plan.
