

Charts Dont Lie: 10 Most Profitable Trading Price Actions (How to Make Money in Stocks, Trading for A Living) (4-Hour Trading: Technical Analysis Book 3)

QUESTION: Have you ever lost your money in the market following someone else's advice or stock picks? Hey, the new iPhone is about to come up. Let's buy Apple stock!, Warren Buffet is buying IBM, I guess I am too!, I am dumping Herbalife stock because Bill Ackman says so! But..but...Carl Icahn is BUYING Herbalife! Who cares...what would Jim Cramer do?, Don't follow Cramer! Follow that guy in Marketwatch.com! Do you think George Soros will create another global crisis like he allegedly did in 1998? Have you maybe lost money because: -You listened to that expert in Bloomberg or... -You followed Jim Cramer's advice or... -You bought whatever stocks Warren Buffet bought or... -You heeded your financial manager or stock broker? If you experienced it at any point of your life, then you would know the pain. We all hate to lose our hard-earned money to the market, don't we? We hate it even more when we lost money following the advice of a trusted person or professional, such as our financial managers, don't we? Hey, I got news for you. We are NOT Buffet, or Soros, or Icahn, or Ackman! Small traders and investors like you and me do not have the access to the information that they have. So WHY FOLLOW the so-called experts? I get it. We all want some kind of assurances that our picks (whether they are stocks, bonds, mutual funds, futures, Forex, real estate, or even significant others) are the best we can get. But let me tell you one thing about trading and investing: The market never offers any guarantee. The only thing that is always true, and luckily, we do have the same playing level with Buffet, Soros, Lynch, or Icahn, is price action. How this book will RIGHTLY shed a new light and cultivate your TRADING OBJECTIVITY: 1) Ten price action strategies that are exploitable to make money. 2)How to be objective when trading and investing. 3)How to find best

entries and exits to minimize risks and optimize potential profits. 4)How to keep yourself sane as this method will take the paralysis by analysis virus out of the equation. Most experts sometimes got caught up with the latest rumors, news, and DRAMA! Otherwise, why would Cramer behaves the way he is behaving? While TVs and newspaper were busy trying to get peoples attention, the price action, depicted on stock charts, never care about the drama the world create. Price action just keeps moving, up and down. Want to make money in stocks? Time to get rid of the financial drama. Trade in accordance to the price action. People lie, but price action tells the truth most of the time. It is just bedazzling how people love to yell on TV while discussing their investment because keeping emotion under check is one of the most important skills in investing and trading. Whether you are trading for a living, a beginner, an investor, investing for your retirement, or a seasoned professional, recognizing, studying examples, and internalizing these 10 price actions will bring your trading to the next level.
