

## More Fool Me: A Memoir

The third memoir by the inimitable Stephen Fry, *More Fool Me* is his most revealing work to date--an intimate account of fame and all that comes with it. *More Fool Me* is a brilliant, eloquent account by a man driven to create and to entertain, revealing a dark side he has long kept hidden. By his early thirties, Stephen Fry, television darling and critically acclaimed and bestselling author with a coterie of equally talented friends, had, as they say, made it. Writing and recording by day, and haunting a never-ending series of celebrity parties by night, he was a high functioning addict in both work and play. He was so distracted by the high life that he could hardly see the inevitable, headlong tumble that must surely follow ...
