Adults 18+ ONLY: This work contains mature M/F sexual scenes. This is fiction erotica featuring non-related, consenting characters 18 years of age and older. Excerpt My dad was always away. Since I can remember, I grew up almost without him. My stepmom was always upset about the idea him being away for more than two weeks per month. I had turned 18 and while I was experiencing my first sexual pleasures, sometimes I would ask myself how such a beautiful woman as my stepmom can stand the loneliness. Look inside for some naughty debauchery.
