

# Who Cooked the Last Supper: The Womens History of the World

Men dominate history because men write history. There have been many heroes, but no heroines. This is the book that overturns that phallusy of history, giving voice to the true history of the world which, always and forever, must include the contributions of millions of unsung women. Here is the history you never learned but should have! Without politics or polemics, this brilliant and witty book overturns centuries of preconceptions to restore women to their rightful place at the center of culture, revolution, empire, war, and peace. Spiced with tales of individual women who have shaped civilization, celebrating the work and lives of women around the world, distinguished by a wealth of research, Who Cooked the Last Supper? redefines our concept of historical reality.

The Womens History of the World at the time that I read his statement. .
