A New York Times Bestseller! A luminous holiday tale of romance, passion, and dreams come true from Grace Burrowes, whose award-winning Regency romances are capturing hearts worldwide. All She Wants is Peace and Anonymity... Lady Sophie Windham has maneuvered a few days to herself at the ducal mansion in London before she must join her family for Christmas in Kent. Suddenly trapped by a London snowstorm, she finds herself with an abandoned baby and only the assistance of a kind, handsome stranger standing between her and complete disaster. But Sophie's Holiday is About to Heat Up... With his estate in ruins, Vim Charpentier sees little to feel festive about this Christmas. His growing attraction for Sophie Windham is the only thing that warms his spirits—but when Sophie's brothers whisk her away, Vim's most painful holiday memories are reawakened.
