BBW + Sexy Military Bear Shifter + Dangerous Stepfather = Sizzling Shifter Romance With Intense Drama How could it? In what part of the world could this take place? But there she sat, too beaten and exhausted to even move, and men twice her age or more glared with bestial greed in their eyes as they all tried to outbid one another for her. For her body. Kathleen, unable to lower her hands as they were chained and handcuffed to the bar, buried her face into her forearms and cried. She couldn't even stand, much less fight. There was nothing she could do to defend herself, or protect herself from this. Five-hundred, a greasy voice in the back cried, and Kathleen shuddered. The other men guffawed in surprise or outright swore as none could afford to outbid such a price. Kathleen glanced out of the corner of her eye and saw a middle-aged man with long stringy gray hair staring right at her face. Ya heard me, he said. I pay you five-hundred for this luscious tart. Hoooo, her stepfather said, impressed. Look at that, fatty, you're worth something after all. I don't think we can go higher n that, eh boys? I do believe that means she's sol A thousand. The words were a razor's edge slicing across Kathleen's face. Who could pay a thousand for her? This was insane! The men in the bar shouted now, almost angry at this new bid. What's that now, her stepfather asked. I said, a man sitting a dark table in the corner of the bar stood, Ill pay you a thousand dollars, cash, for her. Right now.
