JUST GETTIN STARTED Starting over is never an easy thing. The death of her father was the catalyst for Cullen Westbury to take over the running of her family's ranch. Because of her desire to expand the family's business and make it more efficient, she hires the handsome and capable, yet enigmatic, Graeme Burton. But with her ex coming back into her life to stir up trouble on the ranch and her newest employee stirring up trouble in her heart, how can Cullen keep business strictly professional between them, when she's so attracted to him?

STAY WITH ME Saying goodbye is never an easy thing. When Shayne Westbury turned 18, she couldn't wait to see the back of the family's ranch and to go make a fortune in the big city. But when she loses her philandering, physician husband to his nurse and quits her high-paying job because she is tired of running herself ragged, she returns to Westbury Ranch, where she plans to lead a much simpler, forever-single life. Then she meets Juston Hughes, the sexy ranch hand her sister, Cullen, recently hired. Will Shayne hold fast to her resolve, or will she ride off into the sunset with a sexy cowboy?
