

Bill The Vampire (The Tome of Bill Book 1)

THERE ARE REASONS WE FEAR THE NIGHT. HES NOT ONE OF THEM. Bill Ryder was a dateless geek, but then he met a girl to die for. So he did. Unfortunately for him, that was just the beginning of his troubles. He awoke as a vampire, one of the legendary predators of the night. Sadly, fangs or not, he was still at the bottom of the food chain. Now he finds himself surrounded by creatures stronger, deadlier, and a lot cooler than he is ... and they all want to kick his teeth in. Bill isn't exactly average, though. A vampire like him hasn't been seen in centuries. He's got a few tricks up his sleeve, unlikely allies, and an attitude that makes him too damn obnoxious to quit. Join him in this hilarious tale of immortal monsters and the unlikely hero who's not afraid to tell them off, even if it gets him killed - permanently this time.-----Bill The Vampire is book one in the bestselling Tome of Bill urban fantasy series.
