

sTORI Telling

The star of Beverly Hills 90210 offers a hilarious, insightful memoir about growing up on Americas favorite teen drama and her life after the show. She was televisions most famous virgin -- and, as Aaron Spellings daughter, arguably its most famous case of nepotism. Portraying Donna Martin on Beverly Hills, 90210, Tori Spelling became one of the most recognizable young actresses of her generation, with a not-so-private personal life every bit as fascinating as her characters exploits. Yet years later the name Tori Spelling too often closed -- and sometimes slammed -- the same doors it had opened. sTORI telling is Toris chance to finally tell her side of the tabloid-worthy life shes led, and she talks about it all: her decadent childhood birthday parties, her nose job, her fairy-tale wedding to the wrong man, her so-called feud with her mother. Tori has already revealed her flair for brilliant, self-effacing satire on her VH1 show So NoTORious and Oxygens Tori & Dean: Inn Love, but her memoir goes deeper, into the real life behind the rumors: her complicated relationship with her parents; her struggles as an actress after 90210; her accident-prone love life; and, ultimately, her quest to define herself on her own terms. From her over-the-top first wedding to finding new love to her much-publicized -- and misunderstood -- disinheritance, sTORI telling is a juicy, eye-opening, enthralling look at what it really means to be Tori Spelling.
