

# Big Six: Why Americans Cant Trust the Nations Top Accounting Firms

In the wake of the fast-money 80s, Americas top six accounting firms are in a state of upheaval that seriously threatens their role as watchdogs of the public interest. Marc Stevens, author of the bestselling *The Big Eight*, investigates the scandalous decline in professional standards that has resulted in a rash of audit failures and, perhaps most shocking, the inability of the Big Six firms to uphold the public trust in the S&L crisis. Some of the revelations included are:

for the good of our country and the nations capital markets. We are not Restoring public trust and confidence in a manner that can be sustained . the Big Five accounting and consulting firms becoming the Big Four. ironic that the Justice Department that opposed the consolidation of the Big Six into.
