If you are grieving over a recent break up and want to know how to pull yourself through, then this book is for you! Everyone has experienced that one break up that has effected them more than any other; youre not alone. Times do get better. Its your turn to take a step forward in recovering from that relationship that has left you feeling upset and unwanted. Understand your worth, and learn techniques to help you start moving on today. Heres a preview of what youll learn:
Handling the breakup Giving yourself space Coping with your emotions appropriately Reviving your social life Motivating yourself to keep moving on And much more! Although romantic relationships never come with a guaranteed happy ending, arriving at the end of one can still feel devastating. When youre involved in a committed relationship, you put your whole heart into it hoping it will last. Some people even neglect their friends, hobbies, and personal goals to give more time and energy to strengthen their bond with their significant other. And yet, this is one of the reasons why you may find yourself at such a loss when the relationship does not work out. The thought of seeing your hopes dashed, of losing a friend and confidant, and of being alone - and lonely - is downright depressing, even if you arent the dramatic type. Now, although it currently feels like the world has crumbled beneath you, theres hope, and you will recover. Im going to help you see that there is life after every breakup. And even better, it can be a happy and successful one. Youll look back a few months from now and realize that this break up made you stronger and a better person. How you will survive between now and then is precisely what this book is going to teach you.
