

Falling for the Nanny (Safe Harbor Medical Book 5)

Protecting the citizens of Safe Harbor is what gets cop-turned-P.I. Patty Hartman up in the morning. So how can she say no to a four-year-old who needs her help? Even if domestic detail isn't Patty's strong suit. Even if the little girl's father happens to be Dr. Alec Denny, the man Patty loved since she was seventeen. Alec came home to California for his career, but safeguarding his daughter's future trumps everything else. Hiring his high school sweetheart as her bodyguard is risky, especially with all that unfinished business between them. With her maternal instincts and a few other hot emotions kicking in, Patty's got some serious soul-searching to do. It's not a choice between love and duty. It's about not letting the guy who broke her heart become the one who got away again!
