Secrets Series: Attract the woman of your dreams

(Love & Attraction Persuasion Psychology)

Like all other areas of success in life, attracting the woman of your dreams is not something you can naturally assume you are going to stumble upon. Attraction isn't a random occurrence, and in the same way you wouldn't set out to build a house with no plans hoping fate will deliver your soulmate is unproductive waste of time and energy. One of the biggest mistakes men make is assuming that women think and feel the same way that they do. Women are wired differently to men and before you can attract the woman of your dreams you need to understand what she finds attractive in a man. In the Secrets Series by master hypnotist and human behavior expert Craig Beck you will discover: The ten secrets to attracting any woman The big turn offs you must avoid Getting the first approach right Spotting the signs of attraction Dealing with rejection Building your confidence and self esteem Creating desire and intrigue
