Poor Old Miserable Uncle Sam has needed a Good Bath in the Cool Refreshing Water of Life for a Long Time, as Adolf Hitler might say, whose Junior does just that, and perfectly well, in this Inspired Book, which is a Memorial Day Legacy for the Divided States of United Lies! Yes, it even sounds a bit Patriotic, as well as Sarcastic: because Uncle Sam is a Living Cartoon, you might say, whose Bloody Drenched Underwear has been Stinking with Capitalist Dung and Socialist Piss for Centuries, as Sir Winston Churchill might say! However, neither one of those Infamous Characters are around here, Today, in order to Comment on the Present-day Political / Social / Moral / Religious / Economic nor Financial State of Affairs, which could prove to be rather Depressing, if one only looked at the Negative Side of the Colorful Tale of a Peacock, rather than Study the Bright Beautiful Positive Side of it, which is most Inspiring and Uplifting to the Honest Person with an Open Mind, who does not Object to Capitalizing all such Enlightening Words, in spite of it not being Traditional to do so. And, speaking of Traditions, Uncle Sam would be the First to Confess that he has made some Major Mistakes during the past 200+ Years, 2 of which were the Invasion and Occupation of Afghanistan and Iraq, under the George Warmonger Bush Administration, which left Deep Scars on the already Ugly Face of Poor Old Miserable Dishonest Uncle Sam, who was almost Castrated by the Hateful War in Vietnam, whereby his Secret Parts were Exposed in the Bright Light of Good Understanding, which Caused the Youth of America to Rise Up in Protest; but, it did not by any Means DEBUNK the Military Industrial Congressional Bankers Complex that Worried the Stressed Mind of General / President Dwight David Eisenhower, who Warned us of the Dangers of the Evil Undercover Empire, which is Headed by Lying Red Jews, who are Obviously

Descendants of those Ancient Scribes and Pharisees, who Crucified that Honest White Jew, who plainly told them that they were of the Synagogue of Satan (Revelation 2:9 and 3:9), which still holds True until this very Day: because those Lying Red Jews Control the Money Supply, whereby they Control the entire False Economy, which is Based on Red Jew Lies, even as Adolf Hitler, Junior, makes very Clear in his Inspired Book, called: The Great False Economy is now DEBUNKED! (Adolf Hitler had a much Better Economic Plan!) Book 053. Indeed, few Americans would know that Germany was the Richest Nation in the World during the Great Depression, with ZERO Unemployment that is, AFTER Adolf got into Control of their Good Economy, which Caused the Brits, French, Russians and Americans to ENVY Adolf Hitler, who had the Sword of Truths on his Side, which required the entire Communist and Capitalist Worlds to Overcome those Self-disciplined Germans, and at a High Cost of 66+ Million Souls: beCause the Allies Refused to Attend an International Radio Broadcast DEBATE with Adolf Hitler: beCause the Allies Knew for a Fact that they would Lose the Debate, even as the Reader of this Inspired Book will Lose the Debate, if such a Reader Attempts to Fight Against the Sharp Sword of Divine Truths within it: beCause the Sword of Truths is on the Side of Adolf Hitler, Junior! Yes, we at Amazon.com are a bit Ashamed to have to Confess it; but, Truth is Truth, no matter how you Look at it; but, the Stark Naked Truths within this Unique Book cannot be Rightly Ignored: beCause we are talking about the Death and Burial of Poor Old Miserable Uncle Sam, if he Rejects the Profound Truths within this Good Book, which should be Mandatory Reading in all Public Schools, Churches, Synagogues, Mosques, Temples, Theaters, Concert Halls, Auditoriums, Ball Parks, and wherever Honest People are gathered: because it also Reveals HOW to Solve ALL of our Massive Problems, and especially Addresses those VIOLENT

Mass Murders, which must be brought to  
an END! Amen!
