

So...You Want To Buy A Franchise?: Feel The Franchise Force (Jedeye Guides) (Volume 1)

Every year thousands of people, just like you in almost every country in the World, consider buying a franchise business; this guide will help you make the right decision for you and your family. Essential advice from two internationally renowned franchise professionals in an easy to read guide. Its just become easier and more profitable for you. From cover to cover, SYWtBaF? offers you insight honed by multiple years of experience from the authors, Alan Guinn and Chris Gibson. Guinn, from the USA, and Gibson, from the UK, cover franchise guidelines and expectations on both sides of the Atlantic, with excellent tips and ideas. They communicate a unique and sometimes comic understanding about the process, what to look for in your own potential franchise purchase, and demonstrate how to create a business that is uniquely yours. From legal guidelines to anecdotal examples, both Guinn and Gibson share how Franchising creates bottom line opportunities for anyone interested in creating their own business. One must fully understand all the implications of purchase of a Franchise, including the operation of the business according to the Franchisors guidelines. Guinn and Gibson recognize the uniquely human elements of decision-making that must go into the process of purchasing, start-up, and operating of a Franchise business, and offer both helpful and time and money saving tips theyve discovered in their multiple years as Franchisors, Franchisor Representatives, and as Franchisees, themselves.
