

Conveniently Yours: Humorous Christian Romance (After the Vows Book 1)

Love may win yet in this delightful, humorous Christian romance that follows two widowed neighbors who agree to join their antic-filled families for the sake of convenience. Jessie Vaughn has fallen in love with her husband but refuses his advances until she's loved in return. Corbin, although more than willing to share his bed, fears to share his heart. As Christians will they choose to trust God, or let pride war against their marriage? Join this uproarious household as they struggle through riotous pranks by their children, nuances of their cat-crazed British neighbor, a waitress who presumably escaped a happiness cult and many more moments sure to keep you laughing.

Excerpt: Jessie stood in the entrance of the master bedroom. The amphibians returned, playing leapfrog in her middle. She stared at Corbin's bed. You don't expect us to share that, do you? Corbin rested his forearm against the other side of the doorframe. His mouth rose in a curious smile as he looked from the bed to her. Uh, yeah. That's what husbands and wives usually do. But you haven't any held my hand! Her voice came across stronger than normal. Corbin turned and leaned his back against the frame, narrowing the space between them. You want me to ... hold your hand? Fully indignant, Jessie squared her jaw and faced him. If you expect to hold anything else, that would be a good place to start! From the author: Although Jessie and Corbin's story holds a lot of humor, this book was also written to convey the plight of the homeless. So many times they passed without thought or prayer. But did you know, many of those on the street never imagined that type of future. They held jobs, owned homes, and took their kids to games just like so many of us. But one wrong financial decision or a dishonest landlord, (the possibilities are endless) is all it takes to uproot many families. My prayer is that the Vaughns

story will inspire others and build compassion toward those less fortunate. May that compassion blossom into something beautiful that will reach far beyond yourself to touch someone in need.
