

Streamline financial statement preparation with this cross-referenced guide. Financial Statement Disclosures Manual is a natural complement to Wiley GAAP, providing a complete set of tools for statement preparation. This useful reference is formatted in accordance with FASB Accounting Standards Codification (ASC) schema, with information delineated as Presentation, Assets, Liabilities, Equity, Revenue, Expenses, and Broad Transactions. When used with other Wiley GAAP resources, this arrangement helps users perform additional research and easily find more detailed information on requirements, with disclosures referenced to FASB's ASC. Explicit examples enable easy customization, streamlining the statement preparation process and potentially improving the effectiveness of disclosures with clear presentation of information that is most important to users. Determining the correct wording and presentation formats for disclosures is a time-consuming effort. Standards are continually updated, and the latest changes to revenue recognition impact virtually all financial statements. This book is a guide to enhanced disclosure as standardized by FASB, and works in conjunction with other Wiley GAAP products to provide a complete professional reference. Find specific GAAP codification and explanations quickly and easily. Get up to speed on the latest developments and updates. Follow references to relevant content in Wiley GAAP and the Disclosure Checklist. Study expertly-prepared examples to understand GAAP applications.

Enhanced disclosure requirements have come about in response to accounting scandals, the proliferation of complicated instruments, and the pressure toward transparency. Keeping abreast of the latest developments and their applications and requirements is an essential but time-consuming part of the accountants

role. Financial Statement Disclosures Manual simplifies statement preparation by providing complete disclosures information, cross-referenced to relevant GAAP information and tools.
