Instead of a one-size-fits-all assembly-line education, choose the freedom to teach your children at their pace and consistent with your values. Pursue happiness while homeschooling, instead of pursuing the busyness so common in our society. >>> In this book, you will learn: how to identify and eliminate sources of educational dependence, how to regain your peace of mind, and how to rekindle your children's love of learning. Declare your independence from the public system and rigid classroom structure, so your child's education can be a perfect fit. >>> Here's Why You Need This Book: Homeschooling doesn't end with declaring your independence; it's the beginning of your homeschool life and responsibilities. Our founding fathers successfully declared independence because they seized the responsibility of governing. Be like the founding fathers! Seize the responsibility of homeschooling. Minimize delegation, and resist enrolling, registering, or enlisting in a program. The homeschool lifestyle is at home, shaping and molding your children in your day-to-day interactions. If you aren't home, it becomes more difficult to embrace the lifestyle of learning that enables homeschooling to be more fruitful.
