

## Stories of Ohio (Classic Reprint)

Excerpt from Stories of Ohio In the following stories, drawn from the annals of Ohio, I have tried to possess the reader with a knowledge, in outline at least, of the history of the State from the earliest times. I cannot suppose that I have done this with unflinching accuracy in respect to fact, but with regard to the truth, I am quite sure of my purpose at all times to impart it. The books which have been of most use to me in writing this are the histories of Francis Parkman; the various publications of Messrs. Robert Clarke and Co. in the Ohio Valley Series; McClung's Sketches of Western Adventure; Ohio (in the American Commonwealths Series) by Rufus King; History and Civil Government of Ohio, by B. A. Hinsdale and Mary Hinsdale; Beginnings of Literary Culture in the Ohio Valley, by W. H. Venable; Theodore Roosevelt's Winning of the West; Whitelaw Reid's Ohio in the War; and above all others, the delightful and inexhaustible volumes of Henry Howes' Historical Collections of Ohio.
